

1. Start your journey by Monument Tube Station and explore the memorials on Pudding Lane and Monument Street
2. Climb the Monument and see the views!
3. Walk along Cannon Street towards the city centre until you reach St Paul's Cathedral. Built to replace the original, destroyed in the fire. Can you spot the Phoenix rising from the ashes?
4. Walk down Peter's Hill to the river. Follow the Thames Path, then Upper Thames Street until you reach All Hallows by the Tower. This is the oldest church in the city, survivor of the fire, and site where Samuel Pepys watched the city burn!
